The Beef

Creekstone Farms provide superior beef products to satisfy the most discerning of palates. Using their proprietary Black Angus cattle, Creekstone Farms are established as a superior producer of premium beef. Here at The Continental we serve USDA Certified, Natural Prime and Choice Black Angus, meaning: no hormones added, no antibiotics, no growth promoting drugs, 100% vegetarian diet and humane animal handling practices, resulting in tender and flavorful meat.

Certified Piedmontese beef is unlike any other. An exceptional breed of naturally genetically superior cattle combined with a disciplined approach to animal care and husbandry, produces a consistent high quality product that is extraordinarily lean and incredibly tender. This double muscled cattle is never subjected to hormones, growth steroids or animal by-products. It is rich in protein and nutrients and very low in fat and calories. Fact: 3.5oz of Certified Piedmontese beef has half the amount of cholesterol and calories than 3.5oz of roasted chicken.

Snake River Farms American Wagyu Beef combines the buttery marbling of Japanese Wagyu and the robust beef flavor that American beef is known for. Raised along the high plains of the Snake River in Eastern Idaho, Purebred Wagyu from renowned Japanese bloodlines are bred with traditional, high-quality beef animals forging a herd that is in a class by itself. Fed an all-natural, sustainable diet of local Northwest ingredients, including Idaho potatoes, soft white wheat, corn and alfalfa hay, Snake River Farms Beef offers superior beef with a reduced carbon footprint to the eco-conscious consumer.

和牛

Japanese Wagyu A5 is the most highly marbled and most expensive beef produced in the world. This most prized Wagyu, is judged on four different criteria: marbling intensity, color of the fat, color of the muscle tissue, and shape of the muscle. A5's smooth and velvety texture will linger on your palate and provide a one of a kind experience. Kobe or Wagyu? Kobe is actually a prefecture, or state, in Japan where Wagyu is produced.
